### Modern destination for medical tourism.

Medical Spa is a designation for services and care provided to clients in the Gold Spa Turčianske Teplice. Follows up to the tradition of spas dating back to 1281, but emphasizes the medical dimension of the services. We provide professional healthcare based on the latest knowledge, modern diagnostics and non-invasive preventive and rehabilitation treatment procedures. All this in a pleasant, relaxing environment and with the use of the unique natural healing source - the thermal mineral healing water, which has a broad-spectrum healing effects due to high mineralization.
